Email: _____ Phone: _____

Building/Work Area/Airplane Program: _____

We need the following information. Use back side or attach additional sheets & documentation if necessary.

1) Examples of defects that were missed, and examples of defects that required correction or rework due to the Company's removal of QA processes (include line number, NCR's, pick up documentation, etc).

2) Examples of quality suppression. For instance, where members are pressured by management to not write pickups or NCRs.

NOTE: You have a right to provide this information to your Union, as we are addressing grievances and bargaining the impacts of these changes.
